An inning is not over, therefore, not marked until the player who lost the initial lag misses or otherwise completes his/her turn.

A defensive shot must be marked for a player on any shot where there is no INTENT to legally pocket a ball of his category. At the end of the match, total and circle the number of defensive shots for each player. If there are no defensive shots in a match write "No DS" in the block.

A **T** is marked in the game box when the player takes a time out. In the first game, the player listed first in this match had a time out. In the second game of the match, both players had a time out.

Indicates table size.
