Referee Guide

- ⇒ **TEAMS ARE REQUIRED TO SHOW THE HIGHEST RESPECT FOR REFEREES AT ALL TIMES.**
Giving the Referees a "hard time" can and will place the team, and/or member (s) involved in jeopardy of being immediately disqualified from the event, removed from the premises and suspended from the league. THIS IS AN OFFICIAL WARNING.
- ⇒ **Referee calls are BINDING AND FINAL and cannot be protested or reversed.**
- ⇒ **Referees are instructed to report sportsmanship issues to tournament officials.**
- ⇒ **REFEREES CANNOT GIVE RULE INTERPRETATIONS OR ANSWER ANY QUESTIONS ABOUT A RULE.** The requesting captain, coach, or player is responsible for temporarily halting the match to seek clarification or confirmation of the rule in question from the tournament director ONLY. This will eliminate possible mistakes, misunderstandings and miscommunications of any kind. Referees are to make calls concerning "good hit", "bad hit", "frozen ball" and any other possible situations where a foul may occur.
- ⇒ **REFEREES ARE NOT RESPONSIBLE FOR WATCHING EVERY ROLL OF THE BALLS ON THEIR ASSIGNED TABLES.** On a potentially "close-hit" shots, it is the responsibility of the captains, coaches and/or other players to protect themselves by calling an Official Referee to watch (prior to the shot being executed). If an Official Referee is not called for a "close-hit" shot, the call goes to the shooter.
- ⇒ **REFEREES CAN NEVER OFFER A CALL even if they see an obvious foul.** You must stop the match first and ask for the Referee to officially watch the hit.
- ⇒ **REFEREES CANNOT BE ASKED TO DISCUSS** "game strategy/shot selection" with any player during their match. It's best to refrain from casual conversation as you await your next shot, to avoid any confusion about what may or may not be discussed.
- ⇒ **TEAMS SHOULD NOT CALL FOR A REFEREE IN SITUATIONS THAT ARE OBVIOUSLY NON-ESSENTIAL. FOR EXAMPLE:**
 - A. You ask the referee to "just watch what happens next".
 - B. Your opponent is shooting at a loose ball and no potential foul is obvious.
 - C. You wait until the last possible second to stop and call for a referee. Using the referee as a means to "SHARK" your opponent will not be tolerated.
